Question 8	Spring 2009	A												
Question 29	Spring 2009	<table border="0"> <tr> <td style="vertical-align: top;">Score Points</td> <td style="vertical-align: top;">Description</td> </tr> <tr> <td>4 points</td> <td>The response provides a complete explanation of each part of the question (e.g., one advantage of monopolies is stated and shown how it was an advantage from a business perspective and one reason is stated as to why Progressives sought government control as a solution to abuses from monopolies.)</td> </tr> <tr> <td>3 points</td> <td>The response provides a complete explanation of one part and a partial (e.g., "monopolies reduced business competition" or "Progressives thought monopolies would not control themselves") explanation of one part.</td> </tr> <tr> <td>2 points</td> <td>The response provides a complete explanation of one part only or partial explanations of each part.</td> </tr> <tr> <td>1 point</td> <td>The response provides a partial explanation of one part.</td> </tr> <tr> <td>0 points</td> <td>The response does not meet any of the above criteria. The response indicates inadequate or no understanding of the idea or concept needed to answer the item. It may only repeat information given in the item. The response may be incorrect, or the provided information may be totally irrelevant to the item.</td> </tr> </table>	Score Points	Description	4 points	The response provides a complete explanation of each part of the question (e.g., one advantage of monopolies is stated and shown how it was an advantage from a business perspective and one reason is stated as to why Progressives sought government control as a solution to abuses from monopolies.)	3 points	The response provides a complete explanation of one part and a partial (e.g., "monopolies reduced business competition" or "Progressives thought monopolies would not control themselves") explanation of one part.	2 points	The response provides a complete explanation of one part only or partial explanations of each part.	1 point	The response provides a partial explanation of one part.	0 points	The response does not meet any of the above criteria. The response indicates inadequate or no understanding of the idea or concept needed to answer the item. It may only repeat information given in the item. The response may be incorrect, or the provided information may be totally irrelevant to the item.
Score Points	Description													
4 points	The response provides a complete explanation of each part of the question (e.g., one advantage of monopolies is stated and shown how it was an advantage from a business perspective and one reason is stated as to why Progressives sought government control as a solution to abuses from monopolies.)													
3 points	The response provides a complete explanation of one part and a partial (e.g., "monopolies reduced business competition" or "Progressives thought monopolies would not control themselves") explanation of one part.													
2 points	The response provides a complete explanation of one part only or partial explanations of each part.													
1 point	The response provides a partial explanation of one part.													
0 points	The response does not meet any of the above criteria. The response indicates inadequate or no understanding of the idea or concept needed to answer the item. It may only repeat information given in the item. The response may be incorrect, or the provided information may be totally irrelevant to the item.													
Question 15	March 2008	D												

Question 35	March 2008	<p>2 points The response identifies one accurate example of harsh working conditions for factory workers in 19th century Britain and accurately explains how industrialization led to that example.</p> <p>1 point The response identifies one accurate example only. OR The response offers one accurate explanation only.</p> <p>0 points The response does not meet any of the above criteria. The response may discuss industrialization but not make a connection to working conditions.</p>													
Question 5	Spring 2006		B												
Question 12	Spring 2005	<p>Scoring Guidelines for Item 12:</p> <table> <thead> <tr> <th>Score point</th> <th>Description</th> </tr> </thead> <tbody> <tr> <td>2 points</td> <td>The response will explain two ways farming changed as a result of the Industrial Revolution.</td> </tr> <tr> <td>1 point</td> <td>The response will explain one change.</td> </tr> <tr> <td>0 points</td> <td>The response does not meet any of the above criteria.</td> </tr> </tbody> </table> <p>Note: If the response cites an example from the prompt but adds substantive information to the example, the response can be scored for the applicable point(s).</p>	Score point	Description	2 points	The response will explain two ways farming changed as a result of the Industrial Revolution.	1 point	The response will explain one change.	0 points	The response does not meet any of the above criteria.					
Score point	Description														
2 points	The response will explain two ways farming changed as a result of the Industrial Revolution.														
1 point	The response will explain one change.														
0 points	The response does not meet any of the above criteria.														
Question 27	Spring 2005		A												
Question 6	9 th Practice	<p>Scoring Guidelines for Question 6</p> <table> <thead> <tr> <th>Score point</th> <th>Description</th> </tr> </thead> <tbody> <tr> <td>4 points</td> <td>The response accurately explains four effects of industrialization on living and/or working conditions for the early industrial working class that moved to the new industrial towns of 19th-century Britain.</td> </tr> <tr> <td>3 points</td> <td>The response accurately explains three effects of industrialization on living and/or working conditions for the early industrial working class that moved to the new industrial towns of 19th-century Britain.</td> </tr> <tr> <td>2 points</td> <td>The response accurately explains two effects of industrialization on living and/or working conditions for the early industrial working class that moved to the new industrial towns of 19th-century Britain.</td> </tr> <tr> <td>1 point</td> <td>The response accurately explains one effect of industrialization on living and/or working conditions for the early industrial working class that moved to the new industrial towns 19th-century Britain.</td> </tr> <tr> <td>0 points</td> <td>The response does not meet any of the above criteria. The response may discuss industrialization but not make a connection to living and/or working conditions in the industrial towns of Britain.</td> </tr> </tbody> </table>	Score point	Description	4 points	The response accurately explains four effects of industrialization on living and/or working conditions for the early industrial working class that moved to the new industrial towns of 19th-century Britain.	3 points	The response accurately explains three effects of industrialization on living and/or working conditions for the early industrial working class that moved to the new industrial towns of 19th-century Britain.	2 points	The response accurately explains two effects of industrialization on living and/or working conditions for the early industrial working class that moved to the new industrial towns of 19th-century Britain.	1 point	The response accurately explains one effect of industrialization on living and/or working conditions for the early industrial working class that moved to the new industrial towns 19th-century Britain.	0 points	The response does not meet any of the above criteria. The response may discuss industrialization but not make a connection to living and/or working conditions in the industrial towns of Britain.	
Score point	Description														
4 points	The response accurately explains four effects of industrialization on living and/or working conditions for the early industrial working class that moved to the new industrial towns of 19th-century Britain.														
3 points	The response accurately explains three effects of industrialization on living and/or working conditions for the early industrial working class that moved to the new industrial towns of 19th-century Britain.														
2 points	The response accurately explains two effects of industrialization on living and/or working conditions for the early industrial working class that moved to the new industrial towns of 19th-century Britain.														
1 point	The response accurately explains one effect of industrialization on living and/or working conditions for the early industrial working class that moved to the new industrial towns 19th-century Britain.														
0 points	The response does not meet any of the above criteria. The response may discuss industrialization but not make a connection to living and/or working conditions in the industrial towns of Britain.

Question 9	Spring 2006		C
Question 23	9 th Practice		D
Question 27	Spring 2006		A
Question 5	March 2007		Short Answer
Question 40	March 2007		C

Benchmark D

Question 32	Spring 2009		B												
Question 9	March 2008		D												
Question 6	Spring 2005	<p>Scoring Guidelines for Item 6:</p> <table border="0"> <thead> <tr> <th>Score point</th> <th>Description</th> </tr> </thead> <tbody> <tr> <td>4 points</td> <td>The response correctly identifies two provisions of the Versailles Treaty (as listed above) and will correctly tie each of the two provisions to the lead-up to war.</td> </tr> <tr> <td>3 points</td> <td>The response correctly identifies two provisions of the treaty, but the response ties only one provision to the lead-up to war. OR The response identifies one provision of the treaty and discusses two leads tied to the treaty.</td> </tr> <tr> <td>2 points</td> <td>The response correctly identifies one provision of the treaty and ties it to the lead-up to war. OR The response identifies two provisions without discussing leads. OR The response discusses two leads tied to the treaty without identifying any provisions.</td> </tr> <tr> <td>1 point</td> <td>The response identifies one provision of the treaty. OR The response identifies one lead tied to the treaty.</td> </tr> <tr> <td>0 points</td> <td>The response does not meet any of the above criteria.</td> </tr> </tbody> </table> <p>Note: If the response mixes wars/treaties, no more than 1 point can be awarded.</p>	Score point	Description	4 points	The response correctly identifies two provisions of the Versailles Treaty (as listed above) and will correctly tie each of the two provisions to the lead-up to war.	3 points	The response correctly identifies two provisions of the treaty, but the response ties only one provision to the lead-up to war. OR The response identifies one provision of the treaty and discusses two leads tied to the treaty.	2 points	The response correctly identifies one provision of the treaty and ties it to the lead-up to war. OR The response identifies two provisions without discussing leads. OR The response discusses two leads tied to the treaty without identifying any provisions.	1 point	The response identifies one provision of the treaty. OR The response identifies one lead tied to the treaty.	0 points	The response does not meet any of the above criteria.	
Score point	Description														
4 points	The response correctly identifies two provisions of the Versailles Treaty (as listed above) and will correctly tie each of the two provisions to the lead-up to war.														
3 points	The response correctly identifies two provisions of the treaty, but the response ties only one provision to the lead-up to war. OR The response identifies one provision of the treaty and discusses two leads tied to the treaty.														
2 points	The response correctly identifies one provision of the treaty and ties it to the lead-up to war. OR The response identifies two provisions without discussing leads. OR The response discusses two leads tied to the treaty without identifying any provisions.														
1 point	The response identifies one provision of the treaty. OR The response identifies one lead tied to the treaty.														
0 points	The response does not meet any of the above criteria.														
Question 16	Spring 2005		B												
Question 26	9 th practice		D												
Question 35	Spring 2006		A												
Question 27	March 2007		A												

Benchmark E

Question 13	Spring 2009		C
Question 6	March 2008		C
Question 29	March 2008	<p>4 points The response will accurately and completely describe one concern and cite a relevant action.</p> <p>3 points The response will describe one concern and cite a relevant action. Either the concern or the action is partially accurate and/or incomplete.</p> <p>2 points The response will accurately and completely describe one concern but fail to cite a relevant action. OR The response will give a partially accurate and/or incomplete description of one concern and a partially accurate and/or incomplete citation of a relevant action. OR The response will fail to describe a concern but will provide a clear and accurate citation of an action taken in response to Soviet expansion in Central and Eastern Europe.</p> <p>1 point The response will give a partially accurate and/or incomplete description of one concern and fail to cite a relevant action. OR The response will fail to describe a concern but will provide a partially accurate and/or incomplete citation of an action taken in response to Soviet expansion in Central and Eastern Europe.</p> <p>0 points The response does not meet any of the above criteria. The response may discuss Cold War events, but not link concerns about actions of the Soviet Union in Europe with U.S. responses.</p>	
Question 12	Spring 2006		E
Question 19	Spring 2005		D
Question 37	9 th practice		A
Question 40	Spring 2006		A
Question 1	March 2007		C
Question 9	March 2007		D

Benchmark F

Question 35	Spring 2009		D
Question 41	Spring 2009		C
Question 20	March 2008		B
Question 30	March 2008		B
Question 1	Spring 2006		D
Question 24	Spring 2006		F
Question 22	Spring 2005		A

Question 12	9 th practice	<p>Score point Description</p> <p>2 points The response will correctly identify one group targeted between 1941 and 1985 as potentially disloyal. It will accurately and completely explain why this group was targeted.</p> <p>1 point The response will correctly identify one group targeted between 1941 and 1985 as potentially disloyal and will give a partially accurate and/or incomplete description of why this group was targeted.</p> <p>0 points The response does not meet any of the above criteria. It may offer partial examples. It may restate the World War I example. It may discuss events unrelated to the historical pattern.</p> <p>Note: The identification of a targeted group is not to be read independently for a score point. It is a referent for the remainder of the response. Score points are only based on the accuracy and completeness of the explanation of why the <u>correctly identified</u> targeted group (the referent) was targeted. Responses must have a referent to be scored for any points.</p>
Question 17	9 th practice	B
Question 23	March 2007	Extended Response
Question 31	March 2007	D
