

## **Tools for Co-teaching Partners**

Many districts are utilizing a co-teaching service delivery model to maximize instructional impact for all students.

This workshop provides tools, models and strategies to support successful partnering including:

- An overview of history, law and research regarding co-teaching
- Guided activities for collaboration and communication
- Clarification of roles, responsibilities and shared philosophies
- Steps to achieving parity for the partners
- Six co-teaching models to support instruction and active engagement
- Purposeful and planned use of flexible grouping

**Target Audience:** General Educators, Intervention Specialists, Gifted Intervention Specialists, Therapists
