

Positive Behavior Intervention Strategies for Classroom Practice

Our annual professional development survey indicated that educators want to learn positive behavior strategies that they can implement in their classroom. This was the top requested topic for the 2009-2010 school year so we have dedicated 2 workshops to this topic for the month of March. This workshop will cover:

- Classroom practices to set the stage for positive behavior interventions
- Creating the environment for classroom positive behavior supports
- Functional behavior assessment and behavioral intervention plans to target specific behaviors
- Data collection as a critical piece of behavior intervention
- Matching the PBS intervention with the learner needs

Presenters: Dena Shepard, State Support Team Region 10 Consultant
Laura Sheets, State Support Team Region 10 Consultant
