FIREFIGHTER/EMT

Job Shadowing opportunities exist as well as an opportunity for the Beavercreek Cadet Program.

The Beavercreek Cadet program was created for students to get observation and experience in the field of EMT/Firefighting.

Career after HS opportunity: Students who complete further education after HS may be employed with those who completed the Cadet program given preferential status. Many students can complete the educational requirements in under two years from an accredited program.

Pay Range: Students who complete the requirements will have a starting base salary of \$22.14/hr.
With a higher amount of \$23.73/hr. for those candidates with a certification of a paramedic.

Continuing Education: The further education of a paramedic can be paid for by the department once an individual has been hired for work.

Requirements:

**Must have Firefighter I, II,
and EMT Certifications to
be Employed**

Dayton Fire
Department Video

This job may be the perfect fit for you if...

- You have compassion for others
- You have a commitment to serve
- You want to work in a team setting
- You like healthcare or healthcare-related fields
- You enjoy a field that is not routine and can be fast-paced

Job Shadowing opportunities exist as well as an opportunity for possible Internship positions.

The Wetlands Association needs student volunteers to assist with its mission and endeavors. Students will learn valuable skills that will transfer to any industry and/or career.

Additionally, students may be provided employment opportunities based on work completed during volunteer experiences.
